SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for an extension of a currently approved information collection.

The National Marine Fisheries Service (NMFS) Greater Atlantic Region manages the Atlantic sea scallop (scallop) fishery of the Exclusive Economic Zone (EEZ) off the East Coast under the Atlantic Sea Scallop Fishery Management Plan (FMP). The regulations implementing the FMP are at 50 CFR Part 648. To successfully implement and administer components of the FMP, OMB Control No. 0648-0491 includes the following information collections for scallop vessel owners, operators, and fishery participants: Vessel monitoring system (VMS) trip declarations for all scallop vessels, including powerdown declarations; notification of access area trip termination for limited access scallop vessels; submission of access area compensation trip identification; submission of access area trip exchange forms; VMS purchase and installation for individuals that purchase a federally permitted scallop vessel; VMS daily catch reports; submission of ownership cap forms for individual fishing quota (IFQ) scallop vessels; submission of vessel replacement, upgrade and permit history applications for IFQ, Northern Gulf of Maine (NGOM), and Incidental Catch (IC) scallop vessels; submission of VMS pre-landing notification form by IFQ vessels and limited access vessels for access areas; enrollment into the state waters exemption program; submission of requests for IFQ transfers; payment of

cost recovery bills for IFQ vessels; sector proposals for IFQ vessels and industry participants; and sector operations plans for approved sector proposals.

Data collected through these programs are incorporated into the NMFS database and are used to track and confirm vessel permit status and eligibility, scallop landings, and scallop vessel allocations. Aggregated summaries of the collected information will be used to evaluate the management program and future management proposals.

Participants will submit electronic VMS transmissions and paper applications by mail, facsimile, or email.
